

Public Notice on an Application for Participation in Tier I of Green Tier

Pursuant to Section 299.83, Wis. Stats., the Department of Natural Resources (DNR) hereby gives notice that DNR has received an application for participation in Tier I of Green Tier from Kimberly-Clark Corporation, Experimental Mill, at 126 N. Commercial St. Neenah, Winnebago County, WI 54956. As part of their Green Tier participation, Kimberly-Clark will implement an Environmental Management System. They will continue to reduce water and energy consumption and will continue to enhance waste minimization efforts.

Additional information available

Specific information on Kimberly-Clark's application for participation in Tier I of Green Tier, and on the Green Tier program can be accessed via the Internet at:

Opportunity for public to comment or request a public meeting

DNR will accept written comments from the public regarding the application through Wednesday, May 31, 2006. Comments may be submitted to Laurel Sukup (see above).

Also within the 30-day comment period, individuals may request a public informational meeting concerning this application by submitting a written request to the DNR contact. If DNR determines there is significant interest in this application, DNR will hold a public informational meeting.

How DNR will make final decisions

DNR will determine whether the applicant has satisfied all of the eligibility requirements in sec. 299.83(3), Wis. Stats. If all eligibility requirements are met, DNR will approve this application unless doing so is not in the best interest of the Green Tier program. A decision by DNR to approve or deny an application for Tier I of Green Tier is not subject to review under state laws governing contested case hearings.
